

GRAYSON PROMOTION FAVORABLY REPORTED

Senate Committee Recommends Jump of President's Protege.

Confirmation of the President's appointment of his physician, Dr. Cary T. Grayson, as medical director of the navy, with the rank of rear admiral, was recommended late yesterday by the Senate Naval Affairs Committee. The vote to favorably report the appointment, was along strict party lines, the Republicans voting against the motion.

A vigorous fight to block Dr. Grayson's confirmation will be made on the Senate floor by Republicans. Following the committee's action yesterday the Republicans began marshaling their forces for bitter opposition. Democratic leaders in the Senate last night were confident that they will muster the necessary strength to assure confirmation.

Dr. Grayson was subject to lengthy questioning by both Democrats and Republicans before the committee yesterday. Dr. Grayson said he had been in the service thirteen years, two of which were spent at sea. He said he had served eleven years on the President's yacht, Mayflower, and at the White House. The examination developed the fact that when Dr. Grayson went before the examining board to meet the requirements for promotion, he was permitted to submit a thesis prepared several years ago, in lieu of the regular examination.

Senator Poindexter, of Washington, will lead the fight in the Senate against Dr. Grayson. He declared the promotion of Dr. Grayson over the heads of older officers would establish a dangerous precedent and have the effect of demoralizing the service.

**ADVENTISTS PROTEST
SUNDAY LEGISLATION**

Declare Proposed Heflin Measure for District "Un-American."

A vigorous memorial protesting against the bill recently introduced by Representative Heflin, proposing Sunday legislation in the District of Columbia, was passed unanimously yesterday by the delegates attending the convention of the Review and Herald Publishing Association in the Takoma Park Seventh-Day Adventist Church, and forwarded to the presiding officers of both branches of Congress.

In the memorial, which was signed by Elder F. W. Paap, secretary of the Home Missionary Department of the North American Division Conference of Seventh-Day Adventists, as chairman, and V. O. Pugh, of Mount Vernon, Ohio, as secretary, it was declared that this kind of legislation was "class legislation and un-American."

Attending the convention were leading clergymen of the Adventist denomination from the New England, Middle Atlantic, Great Lakes, Southern and Southeastern States, and also missionary workers from the same localities.

**ARCHITECT ON TRIP
FOR ATHLETIC CLUB**

Frank P. Milburn Visiting Western Cities for Local Organization.

Before completing plans for Washington's new athletic club's home, Frank P. Milburn, of Milburn, Helster & Co., will make a personal inspection of the site of the largest athletic club of the country.

He left Sunday night for a trip that will carry him as far west as Omaha. The first stop of the trip was Pittsburgh, where Mr. Milburn spent Monday. From there he went to Cleveland and today plans to go over the Athletic Club in Columbus. Tomorrow and Friday he will spend in the two big clubs in Chicago, then go to Milwaukee, on to Minneapolis and St. Paul, and from there to Omaha. He will return by way of Kansas City and make his last stop in the St. Louis club.

When he returns Mr. Milburn will finish plans for the new structure, to be located at the corner of New York avenue and Thirteenth street, and will incorporate all of the best features of the buildings he inspects on his trip.

**RAILROAD FIGHTS SUIT
TO RECOVER OIL LANDS**

To hear testimony in the government's suit to recover \$500,000 from the Southern Pacific interests, another extraordinary session of the United States District Court for Southern California was held here yesterday.

The railroad interests dispute the government's claim that they secured vast oil lands under the presumption that they were not mineral lands and contend that when the grant was secured that drilling to a great depth in order to disclose the presence of oil, Patrick Mac, a drilling expert, testified that fifty years ago, at the time when the railroad secured the land, machinery capable of drilling to great depths was not in general use.

**CHILD'S TONGUE
BECOMES COATED
IF CONSTIPATED**

When Cross, Feverish and Sick Give "California Syrup of Figs."

Children love this "fruit laxative," and nothing else cleanses the tender stomach, liver and bowels so nicely.

A child simply will not stop playing to empty the bowels, and the result is, they become tightly clogged with waste, liver gets sluggish, stomach aches, feverish, don't eat, sleep or act naturally, breath is bad, system full of cold, has sore throat, stomach-ache or diarrhoea. Listen, Mother! See if tongue is coated then give a teaspoonful of "California Syrup of Figs," and in a few hours all the constipated waste, sour bile, and undigested food passes out of the system and you have a well, playful child again.

Millions of mothers give "California Syrup of Figs" because it is perfectly harmless; children love it, and it never fails to act on the stomach, liver and bowels.

Ask your druggist for a 5-cent bottle of "California Syrup of Figs," which has full directions for babies, children of all ages and for grown-ups plainly printed on the bottle. Beware of counterfeits sold here. Get the genuine, made by "California Fig Syrup Co., Ltd., San Francisco, Calif. No other kind worth contemplating.—Adv.

LOCAL THESPIANS TO OFFER PLAYS

The Washington Stage Society will shortly present three attractive plays to the Washington public at the Casino Theater. The members of the Washington Stage Society are endeavoring to bring a closer association between themselves and the Washington public.

A pleasing program consisting of a farce, a comedy and a melodrama will be presented Washingtonians similar to the former efforts of the Washington Stage Society when short plays were produced at the Belasco Theater during the winter of 1916.

The society has elected the following officers for the ensuing year: Mr. John J. Cunningham, president; Miss Gwendolyn Denys, secretary, and Mr. John W. Thompson, treasurer and business manager. The date of the productions has been set for February 17.

All of the local charities will participate in the profits.

**"THIRTEEN UNLUCKY?
BOSH," SAYS DOCTOR**

"Thirteen, an unlucky number? Nothing to it," said Dr. Louise Cutts Powell in a lecture last night at the Portland Hotel, on "The Fate and Destiny Law."

"If you want to be unlucky," said Dr. Powell, "just be negative. Go around and wish yourself all kinds of hard luck, and it will come to you on horseback. The fact that you may have been born on the thirteenth of the month has nothing to do with your success in the world. Every one should be paddling his own canoe. You make your own laws; and you are responsible for every knock and bit of hard luck you ever had."

"If these people who think that thirteen is an unlucky number, and have all other sorts of foolish superstitions, would get rid of them, and scatter a little sunshine, we would all be rich."

Prince Edward Island has shipped about \$4,000 worth of blueberry pie stock to American caterers this season. The material is shipped in kegs.

COSTA RICA UPSET; U. S. WILL KEEP OUT

Unless bloodshed and disorder result from the overturning of the government of Costa Rica there will be no intervention by the United States, it was officially stated at the State Department yesterday. Dispatches from American Minister Hale, stationed at San Jose, indicated that the president of the Costa Rican congress had sought refuge at the American Legation, in addition to President Alfredo Gonzalez and Manuel Castro Quesada, the republic's minister to the United States who was at home at the time.

No effort will be made to get these men out of the country. They will simply be protected by Minister Hale until it is deemed safe for them to leave the legation.

**OLD-TIME COLD
CURE—DRINK TEA!**

Get a small package of Hamburg Breast Tea, or as the German folks call it, "Hamburger Brust Tee," at any pharmacy. Take a tablespoonful of the tea, put a cup of boiling water upon it, pour through a sieve and drink a teacup full at any time. It is the most effective way to break a cold and cure grip, as it opens the pores, relieving congestion. Also loosens the bowels, thus breaking a cold at once. It is inexpensive and entirely vegetable, therefore harmless.—Adv.
